The screenshot shows the Outlook login interface. At the top, the word "Outlook" is displayed in a large, bold, black font. Below it, the Microsoft logo is visible, followed by the Chinese characters "登入" (Login) and "繼續至 Outlook" (Continue to Outlook). A text input field labeled "電子郵件或電話" (Email or phone) is present, with a blue arrow pointing to it from the text "輸入email address" on the right. Below the input field, there are two links: "無法存取您的帳戶嗎?" (Can't access your account?) and "使用安全性金鑰登入" (Use security key to sign in) with a question mark icon. At the bottom, there are two buttons: "返回" (Go back) in a grey box and "下一步" (Next step) in a blue box.
